Final idea:

“ Where meals are well cooked cooks become sweated from hard work

Waiters swim around the floor with happy smile.

Good will, effort, humour, kindness is the logo of the owner of this yard.

Delicious meals, wine and beer can the owner offer as well.

Desserts, ice cream and sweets as final delicious meal.

Leave us with full stomach and come back happy.

You are welcome here at “The Horse Yard” as any other hungry creature.”

If you felt well here, tell it to your friends.

If you have any complaints, talk to the owner.

We wish you a nice stay

and

Enjoy (Bon Apetit)!
